

## ***Take a Vacation from your June or July loan payment!***

Take A Vacation From Your Loan With...VACATION SKIP-A-PAYMENT! Do you need money for a vacation or other family plans? Participate in Patterson Federal Credit Union's Skip-A-Payment program. This unique program lets you skip the June or July payment on your credit union loans (excludes real estate or delinquent loans.) You're free to take the money that would have gone towards your loan payment and use it for any other summer expense. There is just a small processing fee of \$25 per loan to take advantage of this service. A portion of this fee will go to Arkansas Children's Hospital. For your convenience, we will deduct the fee automatically from your share savings account. If you make your loan payments automatically with direct deposit or payroll deduction, we'll deposit your loan payment into your share savings account. Interest will continue to accumulate on your loan during the month you skip your payment.

To request a Skip-A-Payment, please complete the form below and return to our office or by mail with a \$25 check per loan to: PFCU, 124 WP Malone Dr, Arkadelphia, AR 71923.
